

PRODUCT DATA SHEET - SPECIALTY FERTILISERS

Ultrasol® K plus
Potassium Nitrate

Fertiliser NK

GENERAL DESCRIPTION	
Chemical Formula	KNO ₃
Cas Nr	7757-79-1
Appearance	White crystals

CHEMICAL SPECIFICATIONS	
Guaranteed	
Purity	99,0
Nitrogen 100% Nitrates	N 13,7
Potassium	K ₂ O 46,3
Chloride	Cl 0,2 max

SLSBE0115099

Before using this product, please read the product specifications, the material safety data sheet and any other applicable product literature.

The conditions of your use and application of our products, technical assistance and information (whether verbal, written, or by way of production evaluations), including any suggested formulations and recommendations, are beyond our control. Therefore, it is imperative that you test our products, technical assistance and information to determine to your own satisfaction whether they are suitable for your intended uses and applications. Such application-specific analysis must at least include testing to determine suitability from a technical as well as health, safety, and environmental standpoints. It is also not recommended that the product be used for any described purpose without verification by the user of compliance with all applicable laws, regulations and registration requirements. No warranty is made as to the accuracy of any data or statements contained herein other than the chemical specifications guaranteed in this Product Data Sheet. While this product is furnished in good faith, this product is provided to you without any representation or warranty, expressed or implied, as to condition, utility, merchantability, completeness, suitability or fitness for any particular purpose or use or any other matter or thing whatsoever and without recourse against SQM in any event. Without limiting the generality of the foregoing, SQM specifically disclaims any responsibility or liability relating to the use of this product and shall not in any event, be liable for any special, incidental or consequential damages arising from such use.
